An Exchange of Ideas between Directors and Residents A Town Hall Meeting Clubhouse 5, Thursday, July 10, 6:30pm

The *Association Times*, a web resource for Community Associations writes:

“For board members, it is important to remind yourself and your homeowners about the importance of “community”. After all, you are neighbors!”

“What is my role as a board member?” “One answer to that question is that board members should connect with individual residents and show them that the HOA is a service business run by caring people, not an impersonal bureaucracy. Time spent nurturing relationships will bring forth big dividends in the future.”

Residents Voice (RV) is a apolitical group of *neighbors* whose mission is to represent the best interests of ALL members of our community. RV enthusiastically endorses the views of the *Association Times*.

Issues within a community can create an atmosphere of strife and contention. These issues often can be resolved through open and frank dialogue between residents and Directors. We are all *neighbors* at Laguna Woods Village. Our board members are not an *impersonal bureaucracy*. They are *caring people* who want to *connect with individual residents*.

“When board members and homeowners work to promote a sense of “community” by open communication, the HOA will run more smoothly and everyone wins”. The Association Times.

In the interests of the “community” RV cordially invites Directors Bob Miller, Ray Gros, Mark Schneider, Don Tibbets, Maxine MacIntosh, Jim McNulty, Burns Nugent, Marty Rubin, Stanley Feldstein, Robert Hatch, John Paulus and Larry Souza to anchor a panel at a Town Hall Meeting on July 10 at CH5, 6:30pm, for an exchange of ideas on issues of concern to all of us. Let’s make this a win for everyone!
