“Is the Board overzealous in pushing the kill button when residents are stating opinions within their 3-minute time constraint they do not wish to hear? Since when is punitive treatment a substitute for open dialogue?”

BLC - Third Mutual

“Why are the Boards determined NOT to hear resident comments that do not fit Board opinion? Are we not here to consider all perspectives?”

RN - Third Mutual

“Should the Board (Milt Johns) find it necessary to summon the Sheriff during a Board Meeting, would it not make sense to do so immediately and not almost an hour after the perceived altercation occurred? I could swear I have seen MJ use a cell phone. Perhaps intimidation, not order, was his goal.”

“What is the plan for the open space near Clubhouse 7 now that the construction trailer has been removed?”

NH - Third Mutual

Is it not laughable that a Board member should require to be addressed as Judge or Your Honor when he clearly is not still in a courtroom setting?”

LPG - Third Mutual

“Since PCM does not pay rent for the 2nd floor of the administration building, should they not be evicted much the same as any deadbeat homeowner would? OR, the question might more appropriately be asked; ‘Why did GRF decide to overlook value of our real estate in favor of this for profit company (PCM) that is already being well paid for their services’”

MJ - United Mutual

“Camaraderie and turn-out at the celebration of Resident’s Voice third anniversary party on June 21st was heartening. Yes, our community is capable of working toward fair and equitable treatment for all residents despite the atrocities of our management corporation.”
