Subject: GRF Discretionary Bonus Plan?

Mary,

As you probably have experienced with "Friends of the Village," quite often we find things on our doorstep that are delivered by surprise. Today, Pam found an envelope under our mat with some very interesting information. Since you are also interested in disseminating factual information, I thought that I would come to you.

I am beginning to work on the next issue of "The Voice" and am contemplating using the information. However, you probably have greater access to more GRF Directors than I do and you would be able to get a confirming response.

The following was on a sheet of paper;

GRF Discretionary Bonus Payments

2006 \$ 55,690

2007 \$ 23,476

2008 \$ 26,190

2009 \$ 180,716

2010 \$ 127,830

Are you aware of any such title for "Bonus Payments" during those years? We were under the impression that there were no other "Hidden Compensation Plans," such as the Incentive Bonus Plan.

Can you help us confirm that such a "Plan" exists? Were there GRF Directors who knew of the Plans, Payouts, and Criteria during this 5 year period?

If this is factual and you are as shocked and surprised as us, then we assume that you would also want to make it public through the "Friends of the Village" newsletter.

We would appreciate a timely response!

Connie & Pam Grundke
