

## Final Land Use Committee Vote to select either;

Plan A—No sale or lease of any of our land.

Plan B— Move stables to 23 acre location and rezone property for potential commercial use.

Plan C— Sell several parcels for commercial purposes. Possibly residential and/or commercial.

**Land Use Committee Members:** Carol Skydel, Barbara Copley, Roger Turner, Kathryn Freshley, Lynn Dvorak (co-chair), Patrick Murphy, Pat Feeney, Herb Harris., Bob Hatch (chair).

Voting and comments by the committee members.

Committee Member	Plan A	Comment
Carol Skydel	For	No sale or lease of any land. Stables permanently at present location with added parking.
Barbara Copley	For	Against a new community center.
Roger Turner	For	Would like every parcel used for community purpose.
Kathryn Freshley	For	Wants to move forward with Plan A. Expansion of stables. Would support an EMT station.
Lynn Dvorak	For	Would be able to live with any plan. Stables to stay where they are. Other plan could allow for greater land value.
Patrick Murphy	Against	Against any serious premature plan due to lack of serious information.
Pat Feeney	N/A	Liked Plan A. Land is money in the bank. The issue of TRUST. Would sell land only for major manor improvement. Plan B has slight interest for her.
Herb Harris	Against	Insufficient knowledge or capability to make a plan. Restore open spaces for possible resale at later date.
Bob Hatch	Against	To only way to protect lan is to have a plan. My view is long term land value. A lot could be done to improve appearance of LWV. Would like to sell parcels to lower assessments and improve appearance.

**The committee voted on each of the 9 parcels individually and forwarded the recommendation to the GRF Board to accept Plan A to be taken forward to the City of Laguna Woods.**
